**STUDENT'S FEEDBACK**

First of all I thank our Guest Prof. Akhila H.G. for guiding us on competitive examination. The session was very good and interactive. It was easy to understand and presented in a fine way. I would like to suggest some points as I attended the session and felt that this should be more better. They are:

- 1) long form sentence in PPT was a unique idea but it was too messy to understand.
- 2) Little more interaction and Q&A will be great.

These are the points that I felt lack in the session, over all the experience was great and gained knowledge from it.

Thank you
