Educational Visit to Vidhana Soudha on
22nd September 2025.

The visit to the most important government body of Karnataka, The Vidhana Soudha, taught us a lot of importance about how the government works.

The many offices that are in the building showed us step by step on how the work is distributed and done with discipline.

We were taken to many important parts of the Vidhana Soudha including the gallery room where the meetings happen, The Legislative house. The house was built so beautifully with such detail and great architecture and was also explained by the advisor of the speaker. We felt grateful to be visiting such an important place which holds so much power and beauty at the same time. From outside it was a work of art and the inside it showed us exactly how much of power it holds. It was a great experience and taught us a lot of things that will help us in the subject as well. I would like to thank Shylaja Maam and other faculties for this great opportunity.

THANK You.

TP

Sem BBA 'B' Section

U03CJ24/10/22.

The Educational visit to Vidhana Sabha on 22nd of September was truly an educational visit as the name suggests. Due to the hardwork & efforts of our teachers, we had the opportunity to visit such an esteemed location that showed us the inner workings of our government. We were able to see a lot of our prestigious ministers' workings & offices & were even able to have a chance to sit in the legislative assembly hall & have the advisers of the very speaker of the house teach us about the proceeding & the values inscribed in the photos & about the history of the building itself. This gave us all a sense of assurance & honor about our government & of our constitution. The visit really allowed us to learn in person what we were taught in our classrooms & left us all with a sense of responsibility & pride to ensure that we, as the future generations have to uphold & maybe one day, even be a part of the government who lead our people.

All in all, it was an experience that taught us a lot & left a great memory for all of us. I am truly grateful for having gotten this opportunity.

Thank You.

Our visit to Vidhana Soudha, the seat of the Karnataka state legislature, was a truly enriching and memorable experience. The excursion helped us gain first-hand knowledge about the functioning of the state government.

The guided tour and the speaker's P.A gave us an opportunity to learn about the architectural beauty of the building, its historical and the pillars of building inside the Assembly and the Motto "Government's work is God's work" engraved on its facade. They also explained the settings of the legislative Assembly. The setting of the members inside, what they talk. Sir who explained about the Vidhana Soudha we cannot forget it was very good and attention grab voice. The role of the legislative assembly and council in shaping policies for the state.

This visit not only deepened our understanding of Civics & Governance, we learned how laws are made, and the importance of democracy. The trip helped us connect what we study in books with real life. Also inspired us to become responsible citizens who actively participate in democratic process.

We are grateful to our College/teachers for organizing this visit, which combined education with real-life exposure and made learning more practical and meaningful.
