Dayananda Sagar College of Arts, Science & Commerce had arranged an educational event for the students of BBA on 24th September 2025.

The insights given through this event was really very helpful. It gave a clear understanding of how a joint stock company works, its features, advantages and how it plays an important role in the business world.

The resource person explained the concept of a joint stock company in a very simple manner.

The session also highlighted the importance of joint stock companies in today's corporate world and how they play a major role in economic development by raising large scale capital & providing employment opportunities.

Overall, it was an enriching learning experience that increased my interest & understanding of the corporate sector.

all the faculty members for insightful event.

Speaker Name : Vijay Raja

Topic : Corporate Accounting : Joint Stock Company.

Date of Lecture :

Subject : Corporate Accounting

Name : Bhagya Kumar.S

Class : BBA 2 year "Asec" 3rd Sem.

The Lecture provided a clear & practical overview of the legal and accounting landscape of Joint Stock Companies. Mr. Vijay Raja successfully highlighted the core distinction between various business structures and offered valuable, real-world statistics on corporate registration.

Vijay Raja's clarity, pace and energy. Mr. Raja's delivery was clear and well-paced ensuring that complex legal distinctions were easy to grasp. He demonstrated deep knowledge especially in differentiating between corporate and non-corporate entities & the role of the companies act. While the regulatory framework was well-covered, a brief example of the topics were given.

The lecture by Vijay Raja was a highly valuable session, successfully bridging the gap between the Companies Act & practical corporate accounting. I would recommend inviting him for more lectures that combine legal and accounting insights.

Thank you

Bhagya Kumar.S
