Event Coordinator Name:

The activities conducted in the class were very interesting and helpful. They helped us understand the topic better and made the class more interactive. All students actively participated and enjoyed the activities. It improved our teamwork, communication, and learning skills. Overall, the activities were useful and made learning more enjoyable.

- Varshitha.CS
U03CT25S0108

The activity that was conducted in the class was a very interactive one, coming from PCMC background it was really interesting to know a lot of technical biological words, competing with your fellow mates has to be the peak form of entertainment learning. I'd really like to thank Kohila Mam for putting such beautiful efforts for our happiness.
