Respected Sir

Subject: Proposal to Conduct Alumni Talk for B.Com Students under Criteria 5

I am pleased to submit this proposal to organize an **Alumni Talk** for the students of the B.Com Department as part of **Criteria 5 – Student Support and Progression** activities. Alumni interaction is an important initiative that helps students understand career opportunities, industry expectations, higher education options, and professional development through the experiences of former students.

One of our distinguished alumni, **Mr. A.S. Sai Teja**, who is currently working as **KYC Analyst for Global Banking at BNP PARIBAS** has expressed willingness to deliver a talk and interact with our B.Com students. The proposed session is titled **“From Classroom to Corporate: Using AI to Build a Smart Career.”** The talk will focus on how students can effectively use artificial intelligence tools to enhance their skills, improve employability, and transition smoothly from academic learning to professional careers. It will also highlight current industry expectations, emerging trends, and practical strategies for career growth.

Details of the Proposed Alumni Talk:

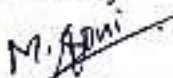

- Title of the Programme: Alumni Talk for B.Com Students
- Theme: From Classroom to Corporate: Using AI to Build a Smart Career
- Resource Person: **Mr. A.S. Sai Teja**
- Organization: **Analyst for Global Banking at BNP PARIBAS**
- Date: 11th April 2026
- Time: 10:00 a.m.
- Venue: Room no. 212 (Building no. 13)
- Participants: B.Com Students
- Organized by: Department of Commerce - Criteria 5 Committee

I kindly request your permission to conduct this Alumni Talk programme.

Thanking you.

Yours faithfully

Mukesh Soni

LANGUAGES

English, Telugu, Kannada, Hindi

BNP PARIBAS | Due Diligence Officer

- Conducted end-to-end KYC reviews in line with Global KYC standards and local regulatory requirements.
- Performed US periodic reviews, ensuring timely and accurate client file updates.
- Executed Customer Due Diligence (CDD) and Enhanced Due Diligence (EDD) for high-risk clients.
- Assessed client risk profiles, identifying potential AML and compliance risks.
- Handled onboarding and review of high-risk clients, including PEPs and complex ownership structures.
- Ensured strict adherence to internal policies, procedures, and regulatory guidelines.
- Utilized Remengo for case management, documentation, and workflow tracking.
- Conducted research using secondary sources such as Orbis, Factiva, Avaz, and LexisNexis to validate client information.
- Collaborated with compliance teams and stakeholders to resolve discrepancies and complex issues when necessary.

Ernst & Young | Analyst

- Identified corrective actions and implemented solutions that minimized compliance risks, reducing penalties by 20% in identified cases.
- Conducted robust KYC checks and client due diligence as part of onboarding and tax return processes, verifying identity, address, and income documentation.
- Ensured 100% compliance with regulatory requirements by validating customer information before initiating tax filings for over 150+ clients, including international assignments.
- Reviewed and maintained accurate KYC documentation in line with AML/CTF standards, supporting audit readiness and regulatory reporting.
- Created and updated KYC and compliance procedures, improving processing efficiency by 20% across tax and onboarding operations.
- Handled sensitive client information with full adherence to data privacy and protection laws, ensuring secure and compliant recordkeeping.
- Supported multiple engagements involving German clients, aligning KYC practices with international regulatory frameworks.
- Verified customer identities, beneficial ownership (UBO), and source of funds for private and corporate clients as per German GwG.
- Handled onboarding processes involving German and EU financial instruments, ensuring full regulatory disclosure and KYC capture.

FEEDBACK.
Date 11/4/26.

Hosting Venue:

Theme: Awareness on Artificial Intelligence for
future Growth.

Mohammed Faizan Shariff.

[Reg No V03CJ25C0189]

1 year B. Com. 'E'

The Seminar conducted on "Artificial Intelligence Awareness" for Future Development" was highly insightful and relevant. The topic was thoughtfully chosen, highlighting the growing importance of AI knowledge in today's rapidly evolving world. The session was well-structured and engaging, offering useful insights into how AI can be applied effectively in various fields. It also helped in creating awareness among students about the practical uses and future scope of AI technologies.

FEEDBACK: ALUMNI TALK.

Hithaishi
'E' Section
I Year B.COM.

This alumni talk conducted on 11th April was very
informative and inspiring. The speaker shared
real-life experiences, ~~challenges~~ challenges and
achievements. Based on the topic on Artificial
Intelligence.

The session motivated us to work hard and stay
focused on our goals. The tips and guidance provided
about career opportunities and skill ~~devel~~ development
were very useful.

Overall, it was an excellent session and we would like
to have more such interactive talks in future.
It emphasized the role of financial awareness.
