24	Summary of the Event	<p>The Student Accounts Club "ACCOUNTOHOLICS" of the B.Com Department, Dayananda Sagar College of Arts, Science, and Commerce, organized an engaging Accounts Club event "Audit Hunt – Treasure Hunt" on 25th February 2026. The event was organized with the objective of enhancing students' practical knowledge in auditing and developing their analytical, problem-solving, and teamwork skills. The event was designed as an interactive and activity-based learning experience that combined elements of auditing concepts with a treasure hunt format. Participants were grouped into teams and provided with a series of audit-related clues, case scenarios, and problem statements. Each round required students to apply their understanding of auditing principles such as internal control, vouching, verification, risk assessment, compliance procedures, and fraud detection. Teams had to analyse the given information, identify discrepancies, and solve the tasks to move to the next stage.</p>

Event - Accounts Club (Audit Hunt)

Dayananda Sagar College of Arts, Science & Commerce

On 25/2/2024, The accounts club has helped me improve my understanding on Auditing beyond classroom teachings. I participated with my team, ADVUP Auditors, THE WINNERS. We gained problem solving analytical and teamwork skills. Although my friend Dhanvi and I walked in as participants, we are proudly walking out as members and volunteers of Accounts Club.

Thank you.
Parithana.
