FEEDBACK ON THE COLLAGE COMPETITION

The collage competition was a platform for the students to showcase their creativity by using the pictures. The competition theme was related to the war effects.

The theme was very good as the students got a thorough knowledge on the side effects of the wars and the destruction it is causing to the global economy.

Overall, this competition was a very insightful one which not only tested the creativity level of the students but also their knowledge.
Hope to see more such events in future.

Thank you.
