Feedback :-

Collage Making Activity was held on 2nd July 2026 by Eco-cell for MBA 'B' Section students participating in this collage making activity was highly educational experience. The chosen themes, particularly recycling and waste management, really made us reflect on our daily ecological footprint. It was an excellent initiative by the Eco-unit to combine artistic expression with critical environmental education. The two-hour duration was well utilized and it successfully drove home the message of campus sustainability.

Feedback :-

Collage Making activity was held on 2nd July 2026 by Eco-Cell for MBA - B- section students. The event was incredibly engaging and provided a wonderful platform for creative expression. Working on wildlife and Air pollution themes allowed us to visually communicate urgent environmental crises. The hands on nature of making a collage made the concepts of conservation. feel much more personal and impactful. I highly commend the organizers and hope to see more art driven eco- events in the future.
