24.	Summary of the Event	Department of MCA organized a seminar for Pre final year students in preparation for their upcoming internships. Mr. Anirudh spoke to the students about the industry requirements and amount of preparation required for facing the recruitment drives. He emphasized the knowledge of frameworks in front- end and back-end technologies and also to have strong projects with in-depth knowledge. He discussed various platforms where they can train themselves and equip themselves with technical knowledge. He also spoke about communication skills and how one should have confidence in one's abilities. There was long question and answer session where the students cleared all their doubts.
