- **Teaching Learning Process:**
Teaching-learning and Evaluation

The Teaching–Learning Process is a crucial component of Outcome-Based Education (OBE), with teachers and instructors playing a significant role in its effectiveness. Admissions are carried out through PG CET and the Management quota, with 50% of seats allocated to each.

DAYANANDA SAGAR COLLEGE OF ARTS, SCIENCE AND COMMERCE **Shavige Malleshwara Hills, Kumaraswamy Layout, Bangalore – 560 111.**

An **Institute** affiliated to Bangalore University (BU), Approved by **AICTE** and **UGC**, Accredited by NAAC

Candidates seeking admission to the MCA program must have completed a minimum three-year degree (10+2+3) from Bangalore University or an equivalent institution, with at least 50% aggregate marks, including languages if applicable. Additionally, they must have studied Mathematics, Computer Science, Business Mathematics, Statistics, Computer Applications, or Electronics at the PUC (XII standard) or degree level. Relaxations for SC/ST and Group I candidates are provided as per university norms.

During the admission process, committee members and department faculty interact with prospective students and their parents to provide information about the course. To address the diverse academic backgrounds of students, bridge courses are conducted. Orientation programs are organized to familiarize students with placements, Centers of Excellence (COEs), and IQAC units. A mentoring system is in place, where faculty members are assigned to guide students individually. Faculty are allocated subjects each semester and prepare lesson plans in advance to ensure effective delivery.

The curriculum prescribed by Bangalore University is followed by the institution. Student performance is assessed through internal assessment tests, assignment submissions, and attendance. Typically, two internal assessments and three to five assignments are mandatory. Students are encouraged to pursue online certifications, projects, and courses such as NPTEL to enhance their skills. Faculty adopt innovative teaching methods to improve learning engagement. Assessment schedules and academic activities are communicated in advance through the academic calendar. Department heads regularly monitor the teaching-learning process and student attendance. Internal assessment marks are awarded in accordance with NEP guidelines, and continuous monitoring ensures that students are on track to achieve their learning outcomes.

The institution adheres to the graduate attributes specified by AICTE and emphasizes the holistic development of students through curricular, co-curricular, and extracurricular activities, along with skill-based and activity-oriented learning approaches.
