Annual Report of the Unit (From June 2025 to May 2026)

The Placement and Career Guidance Unit (Gamyra) is mainly tasked with training and assisting students in securing campus placements. The primary objective of this unit is to motivate students, our key stakeholders, to participate in campus recruitment drives while developing the confidence and skills needed to navigate the broader job market. They are also equipped to tackle the challenges present in today's industry. Distinguished individuals from the industry, alumni, and academics are invited to give guest lectures, lead seminars, and conduct workshops to provide insights into the latest tools and technologies.
