24.	Summary of the Event	The Anti-Ragging Cell of the institution functioned effectively during the above-mentioned period to ensure a safe, secure, and ragging-free campus environment. The Cell strictly implemented the guidelines issued by the University Grants Commission (UGC) and the institution regarding the prevention of ragging. Affidavits and undertakings were collected from all newly admitted students and their parents, confirming that they would neither participate in nor encourage any form of ragging. The Anti-Ragging Committee regularly monitored classrooms, hostels, common areas, and the campus to ensure a friendly and safe atmosphere. Faculty members, mentors, and student representatives maintained regular interaction with students to identify and address any concerns. Complaint mechanisms, including a complaint box and designated contact persons, were made available for confidential reporting.
