Feedback on Lecture of Civil Services Exams

(Date: 22/04/2026)

The interaction with T Somashekar was a really good experience. The way he spoke about UPSC Civil Services Examination and KPSC Gazetted probationers Exam made the whole process feel more clear and less confusing.

What stood out to me was how he focused on mindset and daily habits rather than just studying. It felt realistic and easy to connect with as a student. His examples and advice made me understand that preparation is not just about intelligence but also consistency.

Thank you.
