24.	Summary of the Event	The ECO Unit, DSCASC organized a Nature Photography Workshop on 13 May 2025, which offered a comprehensive introduction to capturing the natural world through the lens. It covered essential skills such as camera settings, composition, and lighting techniques. Specialized sessions focused on landscape, wildlife, macro, and bird photography, emphasizing ethical practices and fieldcraft. Participants learned to use natural elements creatively and adapt to changing weather conditions. To support professional growth, the workshop addressed ethical practices in nature photography. This hands-on, skill-building experience was ideal for photographers looking to deepen their connection with nature and refine their photographic vision.

Feed back on Nature Photography

The Nature Photography workshop organized by the Eco Unit, DSCASC was an Incredible enriching experience. I gained a deeper understanding of camera settings, Composition techniques, and how to work with natural light. The specialized Session on landscape, wildlife, and macro photography were especially engaging and informative, overall the session was filled with knowledge & enjoyment.

Mr. Prateet P (Reg No: U03524M0112)

Feedback on Nature Photography

The nature photography workshop was a truly inspiring experience. the sessions were well structured, starting with the basics of camera handling and progressing to more advanced techniques in landscape, wildlife, and macro photography. I especially enjoyed the field sessions. thank so much.

Mr. Lakshmi pradeep G. (Reg No U03524M0016)
