24.	Summary of the Event	The workshop “Rise to Lead: Discovering the Power Within Every Woman” focuses on empowering women to recognize their inner strength and become independent in their personal and professional lives. It highlights the importance of self-belief, encouraging women to motivate and support each other instead of seeking external validation. The session also shares the inspiring journey of ISIRI Farms, explaining how the idea originated and how determination and vision helped transform it into a successful venture. Through this discussion, students learn about leadership, resilience, and the importance of pursuing meaningful ideas while uplifting other women in society.

Event: Discovering the power within every woman.

On 4/3/2026, the ~~college~~ college held a seminar regarding entrepreneurship to discover the power within every woman, conducted by department of management. The session by Mrs. Swetha Ravindranath founder of Irii farms, gave us valuable insights into entrepreneurship and challenges involved in starting a business.

She explained how determination, creativity and confidence can help individuals build successful ventures. Her real life experiences motivated students to think about becoming entrepreneurs & developing innovative ideas.

Overall the workshop was very engaging, motivational and useful for students who are interested in entrepreneurship & leadership. It helped us understand the importance of perseverance, hard work & self belief in achieving success.

Thank You,
Yours faithfully
