Internal Quality Assurance Cell

Alumni Cell – SAMMILANA

Preamble

The Sammilana is an register alumni association started with the object to serve as a resource for advancement of the Institution, support and mentoring of students and for the professional development of its members. The Association was formed by registering the names of the undergraduates and post graduates. These Alumni's are invited to the college annually for the ALUMNI meet to share their expertise and information and thus contribute to the well- being of the Alma Mater.

The Association serves the alumni, carrying out a variety of activities. It strengthens ties between alumni, as well as between alumni and Alma Mater, providing opportunities for cooperation and communication.

Vision

The vision of the Alumni cell will be an engaging and mutually beneficial lifetime link between Institution and its community of alumni.

Objectives

To achieve life time link we offer communications, events, benefits and services for our current and future alumni. The objectives of the cell are:

- To promote Interaction and regular communication among alumni and Alma Mater
- To promote and support for activities like industry interaction, placements, curricular and extra-curricular
- Interaction between alumni and students to provide guidance in academics
- To provide a forum to re unite alumni and continue to have association with the
- Institution.
- To support and contribute towards the improvement of institution.

Strategies

The purpose of this plan is to create and implement a meaningful set of strategic goals to promote and support the Alumni Association and build lasting relationships with the institution, its alumni's and students.

Strategic plan for the year 2019-20concentrates on the following goals:

1. **Awareness** – to increase awareness of and membership in the Alumni Association.
2. **Engagement** – to increase engagement so that the Alumni Association and the institution will benefit from the diverse interests, talents, and backgrounds of our students and alumni.

3. **Alumni Forum-** to involve the alumni to interact with the current batch students Alumni students Forum will be formed and regular guest lecturer series will be organized through this forum

Functions and benefits of the cell

Goal One: Awareness will be done through the communication.

A Communication Plan will include:

- A campaign to gather accurate alumni email and home addresses
- A campaign to increase student awareness
- Alumni Association Student Committee to facilitate ideas and communication
- Alumni Association Volunteer Committee to facilitate ideas and involvement

Goal Two: Engagement

A successful Alumni Association not only communicates to its members effectively and frequently but also engages those members in the enrichment of the Association. The following are the activities planned for alumni engagement:

- Annual alumni event schedule
- Bring alumni to share their industrial knowledge.
- Volunteer opportunities at Institution events.

Goal Three: Alumni Forum

Under the leadership of interested alumni and faculty coordinators a Forum will be constituted to carry on Guest Lecture series. This forum paves the way to connect the existing batch students with Alumni of the Institution and there by building a industry interface would be much easier.
