23.	Summary of the Event (Minimum 100 words)	Department of MCA organized a Lecture on "Orientation on Concentration and character Building". Swami Vireshanandaji Maharaj from the Ramakrishna Ashrama came to address the students. Maharaj Ji started the session by sharing his ideas about education and it is based on Vedantic doctrine. According to Vivekananda, education like Yoga in its deeper sense, is a rapid psychological process towards perfection. He also stressed a 'spiritual' education, by which he meant education that can build good character. More than this, we need life-building, nation-building and Self Confidence. Finally, he concluded the session by talking about how the learning helps students to better understand the values contained in nationalism as well as fostering character.
