DAYANANDA SAGAR COLLEGE OF ARTS SCIENCE AND COMMERCE

COMMUNIQUE

The Official Innovation Bulletin

ABOUT DSCASC

Dayananda Sagar College of Arts, Science and Commerce (DSCASC), part of Dayananda Sagar Institutions, is one of Bengaluru's oldest degree colleges, affiliated with Bangalore University. The institution focuses on academic excellence, critical thinking, innovation, and social responsibility. Through a holistic, multidisciplinary approach, experienced faculty, modern infrastructure, and diverse learning opportunities, DSCASC empowers students to develop their talents, enhance their skills, and become responsible citizens, upholding the visionary legacy of its founder, Late Sri Dayananda Sagar, under the motto "Live the Dream."

VISION

To be a centre of excellence in education, research and training and to produce human resource of exceptional leadership quality to serve national needs.

MISSION

To achieve our objectives in an environment that enhances creativity, innovation and scholarly pursuits within the stated values.

www.dscasc.edu.in

ABOUT COMMUNIQUE

This newsletter presents a comprehensive overview of the institution's activities and achievements during August 2026. It highlights cultural celebrations, academic programmes, competitions, workshops, guest lectures, industrial visits, placement initiatives, faculty and student achievements, research contributions, sports accomplishments, and Sustainable Development Goals, reflecting the college's commitment to holistic education and excellence.

80th Independence Day Celebration

The 80th Independence Day was celebrated at Dayananda Sagar College of Arts, Science and Commerce on 15 August 2026. The celebration was jointly organized by the Naval NCC Unit and NSS Units and was commenced at 7:30 AM with the flag hoisting ceremony. The event was attended by students, staff, NCC cadets and NSS volunteers. A disciplined and synchronized salute was presented by the Naval NCC cadets, adding ceremonial grandeur to the occasion. The celebration was marked by a strong spirit of patriotism, unity and national pride

Tiranga Mahotsav Celebration – 2026

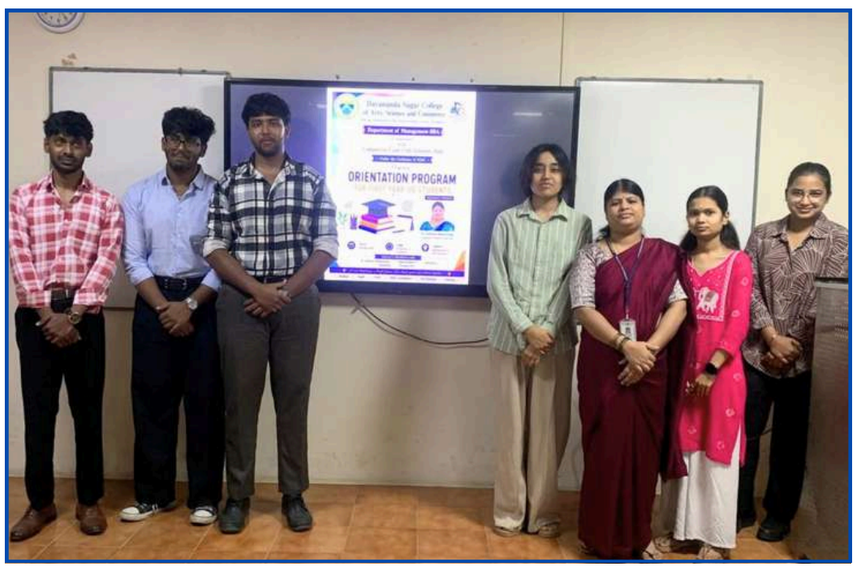

The Tiranga Mahotsav Celebration – 2026 was organized from 19 to 21 August 2026 by Language & Literary Unit – "AKSHARA," and Student Activity Unit – "SANCHALANA" with the theme "Yuva Shakti for Viksit Bharat @ 2047." Poster-making, essay writing, and collage competitions were conducted to encourage students to express their creativity, patriotism, and vision for a developed India. The three-day celebration witnessed enthusiastic student participation and promoted national awareness and responsible citizenship.

Orientation Program on Competitive Examinations

An Orientation Program on Competitive Examinations was organized by the Department of BBA under IQAC for first-year BBA students on 28 August 2026. The session focused on competitive examinations, career opportunities, and effective preparation strategies. Students were encouraged to develop time management, aptitude, reasoning, current affairs, and regular practice skills

Pookalam Competition and Onam Celebration

A Pookalam Competition and Onam Celebration was organized by the Department of BBA, in association with Ameya and Sanchalana, under the guidance of IQAC, on 29 August 2026 . The event showcased Kerala's cultural heritage and festive spirit through vibrant floral designs and traditional celebrations. Enthusiastic participation fostered creativity, teamwork, cultural awareness, and camaraderie among students and faculty.

Training on Teamwork and Interpersonal Skills

3rd Semester BBA students were benefited by a training session on 'Teamwork and Interpersonal Skills' organized by the BBA dept. in association with CIL on 25th August 2026.The session focused on effective communication, collaboration, teamwork, and professional relationships, helping students understand the importance of working together to achieve common goals

Photography Competition

The Department of Management, in association with the Eco Cell and Media Club, organised a Nature Photography Event for BBA and B.Com students. The event aimed to encourage students to explore and appreciate nature through photography, while fostering environmental awareness, creativity, and artistic expression. Students enthusiastically captured the beauty of nature through their lenses.

Live Project Orientation

On 15th September 2026, a Capacity Building Programme on Live Project Orientation was organized for V BBA students to familiarize them with live industry projects and enhance their practical skills and industry readiness. The programme highlighted the relevance of live projects and helped bridge the gap between classroom learning and real-world application, preparing students for future academic and professional opportunities.

Pre-Placement Training

A Pre-Placement Training Programme was organized by the Department of BBA in association with CIL and Career & Guidance Cell – GAMYA on 24 August 2026 for V Semester BBA Sections A & B. The training focused on resume preparation, communication, aptitude, group discussions, interview skills, professional etiquette, and personal presentation, enhancing students' employability, confidence, and placement readiness

RangRush – Rangoli Competition

A Pre-Placement Training Programme was organized by the Department of BBA in association with CIL and Career & Guidance Cell – GAMYA on 24 August 2026 for V Semester BBA Sections A & B. The training focused on resume preparation, communication, aptitude, group discussions, interview skills, professional etiquette, and personal presentation, enhancing students' employability, confidence, and placement readiness

Invest Smart

A workshop titled "Invest Smart: Understanding Markets, Investments and the Power of Virtual Trading" was organized by the Department of BBA on 25th August 2026. The session covered financial markets, fundamental and technical analysis, and informed investment decisions. Students also gained practical exposure through virtual trading using the Stockbyte application, enhancing their understanding of market movements and investment practices.

Yoga Session

On August 27, 2026, the Department of Management (BBA), Dayananda Sagar College of Arts, Science and Commerce, organized "Yoga for Holistic Growth and Student Excellence" under IQAC guidance. In collaboration with STHITHAPRAJNA Yoga Unit, Mr. Nagashree Shyl conducted a practical and theoretical session, engaging 43 students in promoting physical, mental, and academic well-being.

Faculty Development Programme

The BBA Department organized a Faculty Development Programme on "Emotional Intelligence in Higher Education: Building Resilient and Inspiring Educators." The programme focused on enhancing emotional awareness, self-management, empathy, and resilience among educators. It highlighted strategies for managing workplace challenges, maintaining emotional balance, and fostering positive relationships. Participants gained insights into creating inclusive, supportive, and motivating learning environments while strengthening their professional and personal effectiveness.

Guest Lecture on Procurement and Inventory Management

A guest lecture on "The Art of Buying: Procurement, Inventory & Decision-Making in a Real Business" was organized by the Department of BBA, in association with VentureX and UDYAMITA – ED Unit, on 24 August 2026. The session, conducted under SDG-9, provided students with practical insights into procurement, strategic sourcing, vendor selection, inventory management, and business decision-making. Ms. Bindu Jayaram served as the resource person.

"Your Journey to IIMs – Strategy, Preparation and Success,"

The Department of BBA, under IQAC guidance and in association with the Career Guidance and Placement Cell – GAMYA, organized a student seminar, "Your Journey to IIMs – Strategy, Preparation and Success," on 19 August 2026. Mr. Tarique Hassan, B.Tech (NIT) and MBA (Manipal University), with over 21 years of experience in CAT and competitive examination training, shared valuable insights on IIM admissions, profile building, CAT preparation, PI and WAT strategies. An interactive Q&A session enabled students to clarify queries and gain practical guidance.

Reel Making Competition

The Department of BBA, in association with the Media Club (Prathibimba), organized a Reel Making Competition on SDG 12, themed “Profit Meets Planet: Reel for a Sustainable Future,” on 24 August 2026. The event encouraged students to creatively explore sustainability, responsible consumption, and environmental awareness. Around 54 BBA and B.Com students participated enthusiastically, demonstrating creativity, innovation, and content creation skills through engaging reels. The best three teams were selected based on creativity, relevance, and presentation.

Nail Art Competition

A Nail Art Competition was organized by the Department of Commerce (B.Com) in association with Ameya and Sanchalana, under the guidance of IQAC, on 28 August 2026 at DSI Campus 1. Held on the theme “Design – Style – Express,” the event provided students with a creative platform to showcase their artistic skills, precision, and imagination through vibrant nail art designs.

Mehendi Competition

The Cultural Committee and Student Activity Cell, in association with the IQAC Cell, under the Department of B.Com, organized “Rang-e-Henna,” a Mehendi Competition, providing students with a platform to showcase their artistic talent and creativity. Participants presented diverse traditional and contemporary henna designs, reflecting their imagination and skills. The event promoted cultural expression, innovation, and healthy competition, creating a lively and engaging atmosphere with enthusiastic student participation.

Orientation Programme

A Competitive Examination Orientation Programme was conducted for B.Com students to create awareness about competitive examinations, career opportunities, and effective preparation strategies. The session focused on examination patterns, time management, systematic study planning, and strategies for successfully attempting competitive exams. The programme fostered competitive skills, enhanced career awareness, and motivated students to adopt a structured approach towards examination preparation.

Yoga Session

On August 28, 2026, the Department of Commerce (B.Com), under IQAC guidance, organized “Yoga for Holistic Growth and Student Excellence” in association with the Yoga Unit STHITHAPRAJNA and Alumni Unit SAMMILANA. Alumnus Shashishekhar led a practical and theoretical session on integrating yoga into daily routines for mental clarity, physical well-being, and academic performance. Held at Shavige Malleshwara Hills, the programme witnessed active participation from 45 students and promoted health awareness and personal wellness.

ECO Cell Hands on Session

The Department of B.Com, in association with the Eco Cell, conducted a hands-on session on Herbal Hand Wash, highlighting the importance of personal hygiene and sustainable production. The session demonstrated the use of responsibly sourced plant-based ingredients, waste minimization, resource conservation, and eco-friendly packaging. It promoted awareness of sustainable development and responsible consumption and production practices among students through practical learning.

Pre-Placement Training - B.Com

The Department of B.Com, in association with the Centre for Innovation and Leadership (CIL) and Career and Guidance Cell – GAMYA, organized a Pre-Placement Training Programme for fifth-semester B.Com students on 28 August, 31 August, and 1 September 2026. The programme focused on resume preparation, communication skills, aptitude, logical reasoning, group discussions, interview skills, professional etiquette, and personal presentation. Students received practical guidance on self-introduction, answering interview questions, highlighting their strengths, and communicating professionally with recruiters. The training enhanced students’ confidence, employability, and interview readiness, while encouraging systematic placement preparation and effectively bridging the gap between academic learning and industry expectations.

Onam Festivities

The BCA Department, DSCASC, organized Onam Festivities on 29 August 2026. The programme showcased the rich cultural traditions of Kerala through traditional attire and vibrant cultural activities. Active student participation added colour to the occasion, while the festivities fostered cultural awareness, unity, teamwork, creativity, and appreciation of cultural diversity.

The Ultimate Tech Trivia – Tech Quiz

On 13th August 2026, BCA Department conducted "The Ultimate Tech Trivia – Tech Quiz" to enhance students' knowledge of computer science and emerging technologies. The event tested their technical awareness, logical thinking, quick response, and problem-solving skills, while promoting teamwork and healthy competition.

Teachers' Day Celebration

Sanchalana – Student Activity Unit, DSCASC, organized Teachers' Day to honour the contributions of teachers and commemorate the legacy of Dr. Sarvepalli Radhakrishnan. The programme featured student participation and cultural activities, fostering gratitude, respect, creativity, and teacher–student interaction. The initiative highlighted the importance of education and contributed to SDG 4 – Quality Education.

Vivek Mosaic – Collage Making Competition

To provide students with a platform to showcase their creativity, imagination, and artistic expression, BCA Department conducted "Vivek Mosaic – Collage Making Competition" on 24th August 2026. Participants presented their ideas through innovative and visually engaging collages. The competition encouraged teamwork, creative thinking, visual communication, and confidence among students.

Seminar on Employability Skills for Data Analytics

The Department of Computer Applications (BCA) organized a seminar on "Employability Skills Required for Data Analytics" on 7 August 2026, led by Mr. Maheshwar Narayanan, Assistant Vice President, Imarticus Learning. The session provided insights into data analytics, career opportunities, technical and analytical skills, with emphasis on Excel, SQL, Python, problem-solving, and systematic thinking. Students were encouraged to develop practical skills through datasets and projects and build strong professional portfolios.

International Guest Talk on Practical AI Usage in Organizations

The Department of Computer Applications (BCA) organized an International Guest Talk on "Practical AI Usage in Organizations" on 8 August 2026, delivered by Mr. Rajesh Kumar Chilambi, Vice President of Software Development, Aristotle International Inc., Sterling, Virginia, USA. The session introduced students to real-world applications of AI, data quality, ethical considerations, privacy, and emerging career opportunities. Students were encouraged to develop skills in Python, statistics, and machine learning and to begin building practical knowledge for AI-related careers.

Induction Programme

The Department of Computer Applications (BCA) organized an Induction Programme from on 4 August 2026. Various resource persons provided insights into career opportunities, technical skills, and industry expectations while addressing professional development, emotional well-being, mindfulness, discipline, leadership, and ethical values. The programme helped students begin their academic journey with greater confidence, clarity, and enthusiasm.

International Guest Talk – From Code to Clarity: An Introduction to a Career in Technical Writing

The Language and Literary Unit – "AKSHARA," Department of Computer Applications (BCA), organized an International Guest Talk on "From Code to Clarity: An Introduction to a Career in Technical Writing" on 6 August 2026 . The session was delivered by Ms. Usha Mandya, Senior Manager – Technical Writing, Docker, Cambridge, England, UK, who discussed career opportunities, essential skills, industry expectations, and emerging trends in technical writing. The interactive session enhanced students' awareness of technical communication and encouraged them to explore it as a career option.

Pre-Interview Training Session

To provide students with a platform to showcase their creativity, imagination, and artistic expression, BCA Department conducted "Vivek Mosaic – Collage Making Competition" on 24th August 2026. Participants presented their ideas through innovative and visually engaging collages. The competition encouraged teamwork, creative thinking, visual communication, and confidence among students.

Workshop on Personal Effectiveness

The Department of Computer Applications (BCA), in association with CIL under the Placement Cell – GAMYA, organized a workshop on "Personal Effectiveness" on 19th August,2026. Through interactive group activities and challenges, students developed self-confidence, time management, teamwork, communication, and leadership skills. The programme encouraged active participation and helped students overcome hesitation while strengthening their overall personal effectiveness.

Pre-Placement Training Workshop

The Department of Computer Applications (BCA), in association with CIL and the Placement Cell – GAMYA, organized a Pre-Placement Training Workshop for final-year students on 17th August 2026. The sessions focused on resume writing, interview preparation, group discussions, and presentation skills, providing students with practical guidance on recruitment processes and professional expectations. The programme enhanced students' confidence, employability skills, and readiness for campus recruitment and future industry opportunities.

Industrial visit to Nithya Garment

The MBA Department organized an industrial visit to Nithya Garments on 11 August 2026 as part of its experiential learning initiatives. Students gained practical exposure to garment manufacturing, production activities, quality control, and day-to-day operations while interacting with industry personnel. The visit helped students relate classroom concepts to real-world business practices and enhanced their practical knowledge and industry awareness.

Workshop on Working in Teams and Interpersonal Skills

The Department of Computer Applications (BCA), in association with CIL, organized a one-day workshop on “Working in Teams and Interpersonal Skills” on 18 August 2026. Through interactive activities, students developed an understanding of teamwork, open communication, mutual respect, fairness, active participation, and appreciation of diverse perspectives. The workshop strengthened students’ collaborative and interpersonal skills through practical learning experiences.

Industrial Visit to Prakruthi Packers

The MBA Department organized an industrial visit to Prakruthi Packers on 24 August 2026 as part of its experiential learning initiative. Students gained practical exposure to packaging, production, quality control, inventory management, and other business operations through interaction with industry personnel. The visit helped students connect management concepts with real-world practices and enhanced their practical knowledge and industry awareness.

Business Analytics Lab Inauguration

The Department of Management Studies – MBA inaugurated the Business Analytics Lab on 27 August 2026, marking an important step towards technology-enabled and industry-oriented management education. The facility, equipped with 56 new computer systems, provides MBA students with opportunities for hands-on learning in business analytics, data-driven decision-making, and analytical applications. The inauguration highlighted the growing importance of analytical and problem-solving skills in the modern business environment.

Guest Lecture on AI in Management

The Department of Management Studies (MBA), Dayananda Sagar College of Arts, Science & Commerce, organized a guest lecture on “AI in Management” on 31 August 2026, delivered by Ms. Manodya KH. The session explored AI applications in management, including data analysis through LLMs, task automation, team management, emerging trends, and entrepreneurial opportunities. Through practical exercises and insights from her start-up journey, the speaker highlighted how AI is transforming management through strategy, people, processes, data, governance, ethics, and organizational culture.

Add-on Program on Full-Stack Development and Azure

The Department of Computer Applications (MCA) conducted a 10-day Add-on Program on “Full-Stack Web Development (MERN) and Azure Cloud Essentials.” The program provided hands-on training in HTML, CSS, JavaScript, React, MongoDB, APIs, GitHub, Azure DevOps, and Microsoft Azure. Students developed web applications, explored AI-assisted development using Antigravity AI, and gained practical experience in cloud deployment and DevOps. The program enhanced their technical competencies, innovation, and industry readiness.

Dance Competition

The Department of MCA, Cultural Unit, DSCASC, organized a “Dance Competition” with great enthusiasm and active participation from students on 28th August 2026. The event aimed to provide students with an opportunity to showcase their creativity, artistic talents, confidence, and passion for dance through an engaging cultural platform. Students participated actively and enthusiastically, presenting diverse dance performances that reflected their individual skills, creativity, and cultural expression.

Byte Battle – Tech Quiz Competition

The MCA Department, DSCASC, organized “Byte Battle – Tech Quiz Competition” on 19 August 2026, providing students with a platform to test and enhance their knowledge of computer science, programming, databases, networking, and emerging technologies. The event promoted logical thinking, problem-solving, teamwork, communication, and quick decision-making, while encouraging healthy competition and continuous learning.

The Last Programming Language You'll Learn Is English

The Department of Computer Applications (MCA) organized “The Last Programming Language You’ll Learn Is English” on 18 August 2026 for MCA 2nd Semester students. Mr. Ajoe Joseph, Google Developer Expert – Cloud AI, introduced students to Generative AI, LLMs, Prompt Engineering, AI Agents, and AI-powered coding, highlighting how effective English prompts can enhance coding efficiency and productivity.

Cod-A-Thon

The MCA Coding Club, in association with CodeTantra, conducted a Cod-A-Thon on 19 August 2026 for MCA students. The event provided participants with an opportunity to apply their programming knowledge, strengthen problem-solving skills, and develop logical thinking through engaging coding challenges.

Guest Talk on Adaptability in Times of Rapid Change of AI

The Department of Computer Applications, in association with the Corporate Connect Unit, organized a guest lecture on “Adaptability in Times of Rapid Change of AI.”Ms. Ramesh Ranjini, an AI and Cloud expert, discussed AI tools, prompt engineering, Data Structures and Algorithms, placement preparation, and career adaptability. The session provided students with valuable insights into developing industry-ready skills and adapting to the evolving AI-driven corporate landscape.

Expert Talk on Computer Networks Enhanced by Blockchain Technology

The Department of Computer Applications (MCA), DSCASC, organized a guest lecture on “Computer Networks Enhanced by Blockchain Technology” on 7 August 2026. The session introduced students to the integration of blockchain with computer networks, covering its applications, benefits, security aspects, and emerging opportunities, thereby enhancing their understanding of advanced networking technologies.

Expert Talk on PL/SQL and Vector Databases

The Department of Computer Applications (MCA) organized a guest lecture on “PL/SQL and Vector Databases” for II Semester students. The session provided students with valuable insights into PL/SQL, vector databases, semantic search, and their applications in modern Artificial Intelligence and data management. The lecture emphasized emerging technological trends and their practical relevance in the industry. It enhanced students’ conceptual understanding, encouraged technological awareness, and helped them appreciate the growing role of intelligent data management systems in contemporary computing.

Byte Battle – Tech Quiz Competition

The Department of Computer Applications (MCA) organized a guest lecture on “AI-Based Approach for Object Detection” on 3 August 2026, delivered by Dr. Suresh Kannaiyan, Founder of Menmozhi Technologies Pvt. Ltd. The session provided students with valuable insights into Artificial Intelligence, Computer Vision, Image Annotation, and Object Detection. The lecture introduced advanced models such as YOLO and Faster R-CNN, highlighting their practical applications across various industries. Students also gained awareness of emerging trends, industry requirements, and career opportunities in Artificial Intelligence, enhancing their understanding of modern AI technologies.

FACULTY LAURELS

- Dr. Balu L served as a judge for the QS Reimagine Education Awards from 13 August 2026 to 30 August 2026, contributing to the evaluation of innovative educational practices and initiatives. In this prestigious international role, he participated in assessing submissions from leading educational institutions, recognising excellence and innovation in education and learning.
- Dr. Lokeshwari D V has authored three international book chapters with IGI Global.
- Dr. Kavya R authored a chapter titled "A Systematic Review: Investment, Technology, and Innovation Pathways in Oman Vision 2040" in the book 'Foreign Investment, International Partnerships, and Modern Business Regulation for Economic Growth in 2026'.
- Dr. Ashwini Basavaraju published two textbooks in August: GST Law and Practice for the 5th Semester BBA programme of Bangalore University and Goods and Service Tax for the 5th Semester B.Com programme of Bangalore University. Both textbooks were published by Vision Book House.
- Dr. Rashmi S and Dr. Ashwini Basavaraju completed an intensive UGC Sponsored Course on "Entrepreneurship and Sustainable Business" Organized by Malaviya Mission Teacher Training Centre, New Delhi in August 2026.
- Dr. Sudarshan S. Savanoor received a grant for the registered design titled "Smart Collaborative Digital White Board." The design registration recognizes the development of an innovative digital whiteboard concept intended to support collaboration and interactive learning.

Students Achievements

- Bhagyakirana and Amrutha, 5th Semester BBA, presented a paper titled "Making Cities Safe, Inclusive, and Sustainable Through AI, at The Intellibiz AI Conclave 2026, organized by the Global Academy of Technology, Bengaluru in August 2026.

MONTHLY REPORT
AUGUST 2026

DEPARTMENT OF PHYSICAL EDUCATION – DSCASC

Report Period: 1st August 2026 to 31st August 2026

1 OVERVIEW

The month of August 2026 was dedicated to **Talent Identification and Selection** for the Academic Year 2026-27. The department successfully organized **5 major selection trials** for UG & PG students.

2 EVENTS CONDUCTED IN AUGUST 2026

EVENT 1: KABADDI SELECTION TRIALS (M&W)

Date: 20th August 2026, 2:00 PM

Venue: DSI College Ground

Objective: To select the core Kabaddi team for Inter-Collegiate & University level.

- **Participation:** Good response from B.Com, BBA, BCA, B.Sc sections. Both Men's and Women's aspirants participated.
- **Outcome:** Probable list of 20 **Men + 15 Women** players shortlisted for advanced training. This led to the formation **of 9 teams** for the upcoming Inter-Class Kabaddi Championship.

EVENT 2: FOOTBALL SELECTION TRIALS (M&W)

Date: 24th August 2026, 7:30 AM

Venue: DSI College Ground

Key Focus: Fitness and game awareness.

- **Participation:** Highest participation recorded in Football – 12 teams registered for the 7 A-Side tournament format.
- **Outcome:** Finalized 18 players were selected for the Football team.

EVENT 3: CRICKET (TENNIS BALL) TRIALS (M&W)

Date: 24th August 2026, 2:00 PM

Venue: DSI College Ground

- **Participation:** Mixed participation from all years.
- **Outcome:** Shortlisted 20 players for Cricket (Tennis Ball).

EVENT 4: ALL SPORTS – WOMEN (SPECIAL DRIVE)

Date: 25th August 2026, 2:00 PM

Venue: DSI College Ground

Special Initiative: Dedicated drive to promote women in sports, as per IQAC's recommendation for gender equity in sports.

- **Outcome:** Increased registration of girl students for Kabaddi, Throw ball, Volleyball and Badminton.
- Created a separate WhatsApp group and support system for women athletes.

EVENT 5: BADMINTON SELECTION TRIALS (M&W)

Date: 31st August 2026, 1:00 PM

Venue: Badminton Academy, Pandit Deendayal Upadhyaya Indoor Stadium, Kumaraswamy Layout, Bengaluru

Collaboration: External academy tie-up for professional assessment (for that day).

- **Outcome:** 12 Men and 8 Women players selected for college **badminton team.** Quality assessment on professional wooden courts.

3 ADMINISTRATIVE & DEVELOPMENTAL ACTIVITIES

- Issued official **Circular** for Selection Trials with Sl. No., Event, Date & Venue.
- Ensured all participants followed instructions: proper sports attire, reporting 15 mins early, and ID card verification.
- Selection was strictly based on skill, fitness, performance, discipline, and teamwork.
- Updated sports equipment inventory – footballs, kabaddi mats, tennis balls, badminton shuttles checked.
- Coordination meeting held with **IQAC** to plan September trials.

4 ATTENDANCE & PARTICIPATION SUMMARY – AUGUST

Total Events
5

Estimated Total Students Participated
250+
(Men & Women)

Ground Utilization
DSI College Ground – 4 days
Indoor Stadium – 1 day

5 PLAN FOR NEXT MONTH (SEPTEMBER 2026)

As per the circular, the following trials are scheduled:

1st September 2026

Cricket – Leather Ball (M&W)
Chennammana Kere, Kathreguppe

2nd September 2026

Volleyball (M&W)
DSI College Ground

3rd September 2026

Kho-Kho (M&W)
DSI College Ground

Followed by commencement of Inter-Class tournaments in **October.**

6 CONCLUSION

August 2026 was a successful start to the sports calendar 2026-27.
The department has established a transparent, systematic selection process and has built a strong talent pool for Inter-Collegiate, University, State and National level representation.

Thank you,

Dr. Sheethal Kiran
Director, Department of Physical Education
DSCASC
