# International Conference on “Data Science and Intelligent Systems” In Person and Online

**Dayananda Sagar College of Arts, Science and Commerce, Bengaluru, India**

**23<sup>rd</sup> and 24<sup>th</sup> December 2025**

**Conference Link: <https://dsis.icrcicn.in/index.html#home>**

The International Conference on Data Science and Intelligent Systems (DSISys 2025) is a premier global event that brings together researchers, academicians, industry experts, and policymakers to explore the transformative impact of data science and business analytics on sustainable development. This Conference serves as a dynamic platform for interdisciplinary discussions, cutting-edge research presentations, and innovative solution-sharing aimed at addressing global sustainability challenges through data-driven strategies. With a strong emphasis on the integration of artificial intelligence, big data analytics, and business intelligence, the conference fosters collaboration among thought leaders and practitioners to develop sustainable solutions that drive economic growth while preserving environmental and social well-being. The Dayananda Sagar College of Arts, Science and Commerce, Bengaluru, India organized the Conference on 23rd and 24th December 2025. DSISys 2025 is technically sponsored by the Asia-Pacific Artificial Intelligence Association (AAIA), Kolkata Branch.

It is planned to publish the peer reviewed and selected papers of conference as proceedings with Springer in their prestigious “Lecture Notes in Networks and Systems” series (This series is indexed by EI Compendex and Scopus databases). For detailed instructions for author and editors of conference proceedings, kindly visit the following link: <https://www.springer.com/us/authors-editors/conference-proceedings>.

Paper Submission Deadline	15th Oct 2025
Acceptance Notification	15th Nov 2025
Registration Deadline	25th Nov 2025
Conference Date	23rd & 24th Dec 2025

**All submissions should be made through the Microsoft CMT link**
